Address: Room-17, Sagar-Apt, Rambaug-5, Kalyan-West, Kalyan, Thane, Maharashtra

EDUCATION

- **Datta Meghe College of Engineering, Airoli, Navi Mumbai** 2020– 2024
Bachelor of Engineering in Information Technology
CGPA: **7.40**
Technical Courses: Data Structures and Algorithms, Database Management Systems, Object Oriented Programming, Computer Networks, Analysis and Design of Algorithms
- **Shri. D. G. Jadhav Junior College, Bijote Satana** 2019– 2020
12th in Maharashtra State Board
Percentage: **66.77**
- **Janta English School Jaikheda** 2017– 2018
10th in Maharashtra State Board
Percentage: **83.20**

WORK EXPERIENCE & PROJECTS

PERSONAL WEBSITE- / HTML, CSS, JavaScript

- **Showcase Portfolio:** Display my professional development portfolio and achievements.
- **Highlight Skills & Expertise:** Provide an in-depth view of my skills and experience.
- **Demonstrate Online Presence:** Illustrate a strong online presence to prospective employers.

CRUD OPERATION USING SPRING-BOOT-[Github](#) / JAVA, SPRING-BOOT, H2-DATABASE

- **Mastery in Spring Boot:** Proficient in developing and implementing CRUD operations using Spring Boot, ensuring efficient data management within web applications.
- **Seamless Database Integration:** Skilled in seamlessly integrating with databases to facilitate data manipulation and retrieval, enhancing the functionality of web applications.
- **Crafted User-Centric Solutions:** Utilized Spring Boot to create reliable and responsive data management systems, contributing to improved user experiences and overall application performance.

TIC TAC TOE GAME- [Github](#)/ JAVA

- **Java Game Development:** Proficiently crafted a fully functional Tic Tac Toe game using Java for game development.
- **Leveraged Problem-Solving:** Applied robust problem-solving skills to architect game logic and craft an engaging user experience.

CERTIFICATIONS/ACHIEVEMENTS

- Mastering & Fundamentals of JAVA” [Certificate](#)
- Spring-Boot Basic Understanding [Certificate](#)
- Object Oriented Programming in JAVA [Certificate](#)
- MySQL Basics to intermediate [Certificate](#)
- DSA Problem Solving for logic Building [Certificate](#)

SKILLS AND INTERESTS

- **Technical:** Java, Spring-boot, Spring, Spring-Security, React.JS, HTML, CSS(Tailwind) Data Structures and Algorithms,
- **IDE:** VSCode, Spring tool suite, IntelliJ IDEA, MySQL Workbench, Eclipse, PostMan
- **Non-Technical:** Leadership, Teamwork, Versatility, Analytical, Proactive
- **Languages:** English, Marathi, Hindi
